1010 W La Quinta Dr., Pharr, TX

FULL STACK WEB DEVELOPER

A seasoned professional with an abundance of consumer relations, community development, economic cultivation and large/small group instruction expertise. Actively seeking both apprenticeship and entry-level opportunities within the web-development strata. A true self-starter with a "will-do" disposition. Recently acquired competency within the full spectrum of web development to include, project initiation (information gathering), project planning, project execution (design/development), and project monitor and control (RF testing, final delivery, and maintenance). Fully implements continuous process improvement to revamp and improve web development skill-set and focus.
